

## RECOMMENDATION LETTER

**To whomsoever it may concern**

MyCaptain is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on quality education.

It is with great pleasure that I recommend Arnav Karwa, on the basis of the performance in the MyCaptain Intro to SQL course in the month of November, 2024, Arnav Karwa performed well during the course and gained relevant skills as seen in the Project submissions and participation in all activities part of this course.

With this, I would take this opportunity to wish Arnav Karwa, all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

**Sameer Ramesh**
